# Addendum #1
# Solid Waste Collection
# Requests for Proposals
# Job #01-17-PW

**Notices:**

The RFP for Solid Waste Collection is hereby amended with the modifications listed below.

Please remember to acknowledge receipt of this Addendum on the appropriate place on your Form 5, Certification and to use the correct (Revised) version of the Form 2 with your proposal.

1. A second round of questions, including follow-up questions related to this Addendum #1, will be accepted through **February 17, 2017 at 4:30 PM,** Pacific Standard Time.  Answers to this second round of questions will be posted to the City's Purchase Services website on or about **February 24, 2017.**

2. An additional alternative has been added to the Form 2 to address the potential of shifting disposal from the Houghton to the Shoreline Transfer Station, as described in the questions and answers document.  The following Form 2 instruction for this new Alternative #6 is hereby added: *"The Base Contract assumes disposal of collected garbage at the King County Houghton Transfer Station.  However, the County may direct the Contractor to utilize the Shoreline transfer station either temporarily or permanently at any time during the contract period.  This Alternative #6 provides a revised methodology to address the Contractor's increased or decreased costs associated with this redirection.  Please provide the daily revenue requirement increase (+) or decrease (-) associated with this alternative."*

3. To ensure consistency with the Public Records Act, contract Section 7.6 Paragraph 2 is hereby revised to read: *"If the City receives a request for inspection or copying of any such documents, the City will provide prompt notice of the same to the Contractor and thereafter exercise its best efforts, consistent with the requirement of the Act, to give the Contractor the opportunity to seek injunctive relief, if so desired. The City assumes no contractual obligation to enforce any exemption."*
